

Harlington Village Pre-school & Wrap Around Care

Providing before and after school care for children in their last year at pre-school up to year 4 at Harlington Lower School.

Our Service

Our highly experienced and qualified staff provide before and after school activities for children attending their last year at pre-school and Harlington Lower school, up to year 4. We aim to offer a safe, secure and stimulating environment where children can play and socialize.

Due to Ofsted regulations and health and safety, we will limit spaces per session. Advance booking is advisable but we will always try to accommodate late bookings where possible.

During session times, staff will pre-arrange some activities but the children who attend can choose their own which may include sports, games, construction, role-play, and craft. We have access to the back field, preschool outdoor classroom and equipment in all weathers.

Session times and fees

WAC Pre School 3.15pm – 6pm*	£15.95

*Friday After-School Club (until 5pm) is reviewed annually based on demand.

Booking

To make a booking please contact Becki via email at wac@harlingtonvillagepreschool.org.uk

Parents must have completed a full registration form via the Famly app before children will be accepted at WAC.

Advance bookings are recommended, and regular bookings should be made on a half termly basis.

We plan our staffing levels and set our budget well in advance. In order to operate, we therefore need notice of changes to numbers and thus our income. 6 weeks is required of a child leaving Harlington Village Pre-school and Wrap Around Care otherwise fees in lieu of notice will be charged.

Harlington Village Pre-school & Wrap Around Care

Providing before and after school care for children in their last year at pre-school up to year 4 at Harlington Lower School.

Collection and Drop off

Children must be dropped to a member of staff at The Conifers building (at the rear of the school premises). Children will be taken to school by 2-3 members of staff at 8.40am ready for an 8.45am start.

At 3.30pm, 2-3 members of staff meet children in the main school hall. A register is taken, heads counted and then re-taken on arrival at The Conifers.

Children will only be released to authorised adults and those with the relevant password upon confirmation of change of collection from the parent/carer. This is a safeguarding requirement.

Food and drink

During breakfast sessions, the children will be offered a choice of cereal and toast or fresh fruit and yoghurt. We offer milk or water to drink.

After school, the children will be offered a WAC tea consisting of a selection of hot and cold food e.g. pizza, jacket potatoes, pasta, wraps, baguettes, cheese & crackers with a mixture of fruit and vegetables. The choice of the day will be displayed on the A board outside of preschool at the start of the session. We ensure that drinking water is available throughout our sessions.

Illness

If your child has a temperature, they are unwell and should not attend. If they are sick or have diarrhoea, you must keep them at home for 48 hours before returning to wrap around care.

If a child falls ill during one of our sessions, we will contact parents/carers to arrange for an early pick up. Please ensure we have the correct contact details on Family and that someone on the authorised collection list is available at all times.

Medical Information

Upon registration, you will be asked to provide information on your child and if they have any additional medical or educational needs. At any time, if your child's needs change, even if it is temporary, please speak to a member of staff.

We will need to keep a record of any medication, dosage and when to administer this. This document will need to be signed by a parent or carer. Any prescribed medication is kept in a sealed named box and kept in the office, locked medical cabinet or the staff fridge if required. No child has access to any of these areas

The Staff

Our staff are highly experienced and most have a qualification up to Level 6 in Early Years Education. They all hold a paediatric first aid certificate and we have a designated SENco, Safeguarding and Fire Safety.
