

15th May 2026

Summer Term

Our May value is Resilience

SEND coffee morning

Thank you to everyone who attended the SEND coffee morning at Harlington on Tuesday. It was lovely to see parents there from both schools and to be able to talk openly about how we can work in partnership to improve support for SEND children, and also to be able to discuss the challenges of SEND parenting.

Mrs Blunt shared some parent guides about SEND needs which have been created by the school to help parents, both of children on the SEND register and of children who parents suspect may have a SEND need. There are guides on ADHD, Autism, Dyslexia, Dyscalculia, Working Memory difficulties, SAL difficulties, Anxiety and Stammering. These detail support that we give to children as part of our universal offer, additional support that can be given, and information about next steps if you wish to pursue a diagnosis. The parent guides also share ideas of ways that you can help your child at home.

These have been added to our school website on the SEND page and hard copies are also available in the school foyer.

Revised Lunch menu

Due to an issue with the school oven Aspens are offering a revised menu for next week.

Monday - No pizza just Macaroni Cheese

Tuesday - Option on menu

Wednesday - Chicken & Mash

Thursday - Hot Dog and Chips

Friday – Option on menu

Book Swap - Wednesday 20th May

We're having another book swap! Come along straight after school with an old or preloved book - it can be for any age group. Swap it with one of ours for a fresh story. Bring as many books as you would like and swap with the school books or others on the playground.

Year 4 RSE parent forum – Wednesday 20th May

Since September 2020, Relationships and Sex Education (RSE) has been compulsory for all pupils in primary education. At Harlington Lower School relationships education teaches children a wealth of information about healthy relationships, including how to communicate their own boundaries and recognise the boundaries of others, staying safe online, and the differences between appropriate and inappropriate or unsafe contact. Health education include puberty, including menstruation. It also focuses on teaching the characteristics of good physical health and mental wellbeing, and that mental wellbeing is a normal part of daily life, in the same way as physical health. Year 4 parents are invited to come into the school hall on **Wednesday 20th May at 9am** to see all of the resources and information we will sharing with the Year 4 children in the Summer term.

Golden Book

Oak- Willow Richardson-Ward

Chestnut – Lorelai Lambert
